

¿Cuáles son los médicos que no están cubiertos por nuestra Política de Asistencia Financiera?

La mayoría de los servicios brindados por los médicos en las instalaciones de Cleveland Clinic están cubiertos por la Política de Asistencia Financiera (Financial Assistance Policy, FAP) de Cleveland Clinic, como se describe a continuación.

Los médicos que trabajan en cada instalación que no están cubiertos por la FAP están identificados en la lista de proveedores adjunta, por nombre y por instalación hospitalaria en la que ejercen.

La lista también está disponible en línea en clevelandclinic.org/financialassistance, en todos nuestros Departamentos de Emergencia y áreas de admisiones, y a pedido si llama al Servicio de Soporte de Primera Línea al Paciente (Patients First Support Services, PFSS) o si consulta a un asistente financiero de Cleveland Clinic.

Campus principal de Ohio. Todos los servicios de los médicos, ya sea que se brinden en el hospital o en un consultorio médico, están cubiertos por la FAP porque los médicos son empleados de Cleveland Clinic. Esto también es cierto en todos nuestros

Centros de Cirugía y Atención Médica Familiar de Ohio, con excepciones muy limitadas como las que se enumeran bajo el título “Ohio ASC’s”.

Hospitales regionales de Ohio. La mayoría de los médicos que brindan servicios en nuestros hospitales regionales trabajan en consultorios privados. Sus servicios están fuera de la cobertura de nuestra FAP. Usted recibirá una factura de nuestra parte por los servicios del hospital, y una factura separada de parte de estos médicos por sus servicios. Los nombres de los médicos cuyos servicios no quedan cubiertos por la FAP están enumerados bajo el nombre de cada hospital regional en el que ejercen.

Nevada. Todos los servicios de los médicos en Nevada están cubiertos por la FAP porque los médicos son empleados de Cleveland Clinic.

Este listado tiene vigencia a partir del 1/1/2024 y se actualiza trimestralmente. Si no encuentra a un médico en esta lista y desea verificar si esa persona está actualmente bajo la cobertura de la FAP del Sistema de Salud de Cleveland Clinic (Cleveland Clinic Health System, CCHS), comuníquese con el PFSS al 866.621.6385.
